Let's experience Japanese Culture

日本文化を体験しながら日本人の考え方、感じ方を学びましょう Let's learn Japanese way of thinking, feeling through the experience of Japanese culture.

1. テーマ theme: 七夕(たなばた) 7月7日

Tanabata is an event related to the stars.

Hikoboshi (Cowherd Star) and Orihime (Weaving Princess Star) are couple, who live separately by both side of the heavenly river. Those two are able to meet each other only once a year, on the night of July 7th in the lunisolar calendar.

However if it rains on Tanabata night, the heavenly river will be flooded with rainwater. Both of them will become unable to meet each other.

On the night of 7th July of every year, people write their wishes on colorful paper strips and hang them on bamboo leaves.

If Hikoboshi and Orihime are able to meet each other without problems, the wish you had written on the paper strip will come true.
